Pre-Close Punch List Walk Through:

With the owner's signature, the owner acknowledges that the home is at substantial completion. The following punch list is recognized by both parties. The purpose of the Pre-Close Punch List Walk Through is to identify any items that need attention, adjustment, repair or replacement. With the exception of weather related items and items that are on back order from the vendor/supplier, all items identified will be completed prior to your closing and move-in date.
